

Reading at Lindridge

Reception

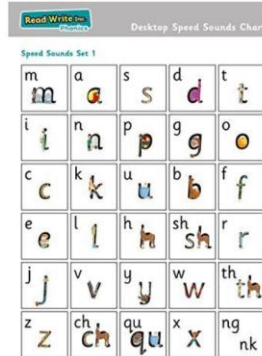

In your child's book bag, you will find:

- A RWI sound mat – practise these sounds every day
- A green booklet – practise your set 1 sounds every day
- A yellow booklet – practise your set 2 and 3 sounds
- A book for pleasure – share this together. Your child might want to join in with some of the words or repeated phrases.
The purpose of these books is to develop a love for reading. We change these books at least weekly, but children can choose a new book as often as they like.

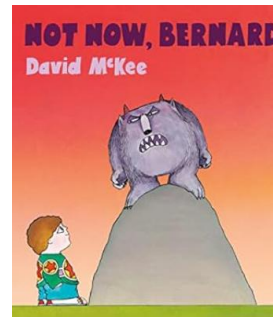

As the children progress through the RWI scheme, they will be introduced to ditty books first and then their phonics book.

- Both the ditty books and the phonics books are read daily in RWI sessions and then reread at home. The children will have the same book for 3-5 days.
- **The purpose of these books is to develop fluency and confidence.**
