Headteacher's

Lindridge St Lawrence CE Primary School 17<sup>th</sup> April

## Update

Dear Parents/Carers,

Welcome back! We hope that you all had a lovely, restful Easter break. It has been a fantastic week back in school. The children have been working really hard and the atmosphere in school has been calm and happy.

We have had our first FAME KS2 Ukulele morning today which was great fun!! They could be heard for miles. Next week, Miss Morris is going to run a lunchtime ukulele club so that children can practise if they would like to.

We would also like to say a huge thank you to the parents of Maria in school who have donated a brand-new air fryer to support with Mrs Bourdeau's Friday cooking sessions! Thank you very much!! It makes a huge difference..

Have a great weekend. I hope the sun shines!

Many thanks  
Mrs Helen Hadley

## Key Information

**Please can you help us?** You may have noticed that in the Tenbury Tesco, there is a fundraising Blue Token collection point? As from **28<sup>th</sup> April**, you will be able to vote for Lindridge St Lawrence! Please do vote for us and add in as many blue tokens as you can. The money is allocated for specific projects and we would like to develop our outdoor EYFS space. Tell your friends and neighbours too.

Thank you.

**You may not know**, but there is a service provided by the NHS for children and families in Worcestershire (and Herefordshire) called Lumi Nova. This helps children aged 7-12 who have worries/anxiety. We are sending out a separate letter to you all but if you lose track of that, here are the contact details once

more: <https://luminova.app/handw>

Reach out to the Lumi Nova team on [luminova@bfb-labs.com](mailto:luminova@bfb-labs.com)

# Questions on the gate...

Discovering life in all  
its fullness:  
Hesed, Hamdah,  
Honesty, Horizons.

Over the last couple of weeks, we have had a few parents comment on the volume of traffic in the mornings and the challenges around parking. Please could everyone ensure that they park thoughtfully using all available space? Both myself and one of our governors are going to assess the space around school and will be updating you soon on extra spots that you can use to park later this term.

We are aware that we have some families who have children in both Nursery and in other classes in school and that this causes a delay when families are waiting to drop off their children in Nursery at 9:00am. To help with this, we are going to offer those families a reduced rate on the early morning session in Nursery so that more families might choose to start the Nursery Day earlier. A separate letter will be going home about this next week.

# Highlights of the week!

## OWLETS

We had Y6 monitors who spoke to Owlets today. They have been very enthusiastic about their Spider Café and have been making fly soup! They've also made spider crackers and spider web slime! They've also enjoyed visiting Forest School this week. What a fun-packed week they've had!!

## HARES

When our Y6 monitors visited Hares class this morning Reception have shared how much they are enjoying the book Errol's Garden and that they have been writing codes to make something magic happen in the garden in their Drawing Club sessions.

All of the class have loved their soggy visit to Forest School this week too!

## SQUIRRELS

When our Y6 monitors visited Squirrels class this morning they said how much they enjoyed playing Rounders in PE on Wednesday afternoon!

They are also making 3-D models in art which they have loved. They also enjoyed learning how to tell the time in French and learning about Shabbat in RE.

## FOXES

When our Y6 monitors visited Foxes class this morning they are enjoying their text in writing lessons all about King Kong! They have taken part in a volleyball tournament in PE, learnt the ukulele and have started a project about the rainforest in Art. A busy week in Fox Class!
