

## Owlets Summer 2 Newsletter

What a busy, fun filled first half of the term we have had in Nursery! The children have explored 'The Great Outdoors' where we have been thinking about what we can see, grow and play outside. Our highlights have been putting up a new bird feeder on our Nursery window and finally getting some visitors, a visit from some fluffy ducklings and planting beans and cress seeds to watch them grow, then making cress and cheese sandwiches for tasting. The children also had a fantastic time bringing in their bikes from home to zoom around the playground and playing with a giant water course in the outdoor area. Next half term we will be exploring, Transport!

Dates for your diary: \*Details to follow

Monday 2nd June - Back to school

Thursday 26th June - Nursery Sports Day and picnic. 11am. Everyone welcome.

Thursday 3rd July—Nursery Open Afternoon Tea 1.30pm, Everyone welcome.

### Things to bring to Nursery:

Named water bottle

All in one waterproof/  
waterproof trousers

Wellies

Spare clothes including socks

**Plastic bag for wet clothes**

Pack of baby wipes (even if  
your child doesn't wear nappies)

As the weather continues to get warmer please can you ensure that your child **comes to Nursery with sun cream already applied**. Staff will help your child reapply sun cream at **lunchtime** if they are staying the whole day. Thank you for all of the sun cream that has been sent in, a **named sun hat** is also essential every day.
