Headteacher's

Lindridge St Lawrence CE Primary School 12th June

Update

Dear Parents/Carers,

We are incredibly proud that twelve children from Fox Class are representing our school at the Royal Three Counties Show. They are performing with twelve children from both Abberley and Astley Primary Schools. The children have worked hard to learn a wonderful selection of songs themed around Unity and Belonging and we know they will be fantastic ambassadors for our school.

Back in school, we have successfully completed our phonics testing this week. We would like to extend a sincere thank you to all families who supported their children by practicing their sounds at home – your help really does make a difference and is much appreciated.

We were also delighted to welcome our new Reception parents into school last night for an information meeting with Mrs Thomas and Mrs Hurst. We are very excited to welcome you and your children into our fantastic school community in the coming months.

Finally, Animal Man was a huge hit in Nursery this week! We are very proud of the children (and adults) who were super brave and handled snakes and tarantulas – what an incredible experience. I must admit that I preferred the Honey Bear!

Have a lovely weekend,

Mrs Helen Hadley

Key Information

Yesterday, Mr Pickford and I met to talk all about our Maths teaching at Lindridge. We have been so impressed with the children's enthusiasm on Times Tables Tuesdays when we wear our stickers and practice key skills. We have also been working hard at making links and connections so in our morning Counting Stick sessions we have been working hard at linking doubles to 4x and 8x a number.

Our next step is to practice our speedy recall of our times tables. We have decided to relaunch Times Tables Rock Stars by having a huge celebration day where we work on maths all day and also battle our classmates on TT Rock Stars. Our Rock Star day is going to take place on Monday 13th July where all of us are going to dress up as a Rock Stars...and also learn our x tables.

During the Summer Holiday we would love as many of you as possible to log in to TT Rock Stars and practice each day. Mr Pickford will be sending out more information nearer the day.

Highlights of the week!

SQUIRRELS

When our Y6 monitors visited Squirrels class this afternoon they said that they have enjoyed learning about fractions in maths and also making Roman shields in History.

OWLETS

We had Y6 monitors who spoke to Owlets today who very obviously shared how much they LOVED the Animal Man and all his beasts! They also said how much they just love coming to school! We love having them here just as much!

They have also been playing with ice cream! What exciting times.

HARES

When our Y6 monitors visited Hares class this afternoon they've all said how they have loved helping Nursery children this week when they have come for their pre-school visits. They have also enjoyed their capacity lessons in maths this week and their learning in History lessons. They also shared how they love reading! Well done Hares!

FOXES

When our Y6 monitors visited Foxes class this afternoon they have shared how much they are enjoying their DT sessions, their swimming lessons and their ukuleles. They are working hard!
