Lindridge St Lawrence CE Primary School 3rd July

Headteacher's Update

Dear Parents/Carers,

A huge thank you to all the parents, carers and family members who joined us for our Sports Day events yesterday. It was wonderful to see so many people supporting the children and helping to create such a lovely, positive atmosphere around school. The children represented our school brilliantly, showing enthusiasm, determination and excellent sportsmanship throughout the day. We were particularly impressed with how well they embraced the more competitive format of this year's events, encouraging one another and demonstrating resilience whether they won, lost or drew. Thank you for helping to make the day such a success.

Earlier this week, our KS2 pupils enjoyed their final swimming session of the year. To celebrate all their hard work and achievements in the pool, they took part in a special 'fun swim' session featuring inflatables. There were plenty of smiles, laughter and excitement, and everyone had a fantastic time rounding off another successful year of swimming lessons.

Today, we welcomed colleagues from Worcestershire County Council for a Learning and Teaching Review. These reviews take place termly in schools that are on an improvement journey and provide an important opportunity to evaluate progress and identify next steps. Whilst we recognise that there are still areas for development, we are proud of the progress that has been made by staff, pupils and the wider school community. We remain committed to continuing this positive trajectory and ensuring the very best outcomes for all our children. Finally, we are aware that England's next match against Mexico kicks off at 1:00am on Sunday night/Monday morning. We appreciate that some families may choose to stay up together to watch the game. With this in mind, we will be relaxing our registration procedures on Monday morning, with registers remaining open until 11:30am. As always, if your child will be arriving later than usual, we would appreciate parents informing the school office.

We hope everyone has a wonderful weekend and, for those watching, enjoy the match!

Mrs Helen Hadley

Highlights of the week!

SQUIRRELS

When our Y6 monitors visited Squirrels class this morning the children have all shared how much they really enjoyed their final swimming session, which was a fun, free swim, with lots of inflatables. In

English, they have enjoyed continuing their writing linked to their book 'It fell from the sky'. In Maths, they've been finding out about different types of triangles.

OWLETS

We had Y6 monitors who spoke to Owlets today who have all said how they loved learning all about pirates this week. They have been busy making a cardboard pirate ship, and biscuit oyster shells with marshmallow pearls in cooking. In gardening, the children all got stuck in, pulling up their crop of own grown new potatoes with Dr Bob.

HARES

When our Y6 monitors visited Hares class this morning they have spoken about learning about 'which ways', using position and direction in Maths. They have enjoyed writing about Traction Man in their English lessons, and practicing the 'ew' sound in phonics. In History, Hares Class have been finding out about astronaut Neil Armstrong and his adventures in space.

FOXES

When our Y6 monitors visited Foxes class this morning they have shared that they also very much enjoyed their final fun swimming session, and their final ukulele lesson before their showcase performance. They have enjoyed learning about data handling with charts in Maths, and have finished the week with a brilliant Forest School session.

Important Information

Class Attendance Week Beginning 29.06.26

Hares Class: 81.43%

Squirrels Class: 85.00%

Foxes Class: 95.24%
