Lindridge St Lawrence CE Primary School 17th September

Update

Dear Parents/Carers,

It's been a fantastic first full week back at school, with lots of exciting learning already underway!

Our new Nest Provision has opened successfully, children have enjoyed beginning their Forest School programme, and every class has launched into their new curriculum units.

Across the school, our Curiosity Cubes have sparked thoughtful questions and enthusiastic discussions, while we have also been delighted to see some wonderful homework being brought in. I have written lots of certificates this week for efforts at home and at school!

We are especially pleased that so many pupils are reading at home every evening, helping to build strong reading habits from the very start of the year.

Thank you for your continued support. We are looking forward to another great week ahead!

Have a super weekend.

Many thanks

Mrs Helen Hadley

Key Information

Pupil Leadership:

This week has been busy for our new leadership groups!

On Thursday I met with our **Prime Minister** and **Deputy Prime Minister**. We mapped out our tasks for the next couple of weeks.

Our **Digital Leads** have demonstrated amazing skills — we have been super impressed! They are fading our entrance and exit music in collective worship, they have played videos and they are very organized and punctual. Our best leads yet!

Our **Collective Worship ambassadors** have met with Mr Wild to talk about the importance of prayer. We have planned all of our church services that the children are going to jointly lead with Rev Tobias. **All children and families are welcome to attend the church services** at St Lawrence church. It would be lovely to see some of you there. Mrs Murphy and myself will also be attending. The services are: **October 4th, November 1st and December 6th all at 9:30am.**

Our **Reading Ambassadors** have received our six books that we are going to be reading during the next few months as part of the Primary Verse Novel Awards that we are involved with as judges!!! They have also been reading stories to younger children in school and taking out our book bags at lunchtimes.

Highlights of the week!

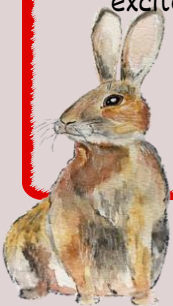

OWLETS

When our Y6 monitors visited Nursery today, they have shared that they are learning all about feelings. They have loved their book: Owl Babies, playing with their friends, visiting the Forest and sharing books.

HARES

When our Y6 monitors visited Hares, they have said that they have enjoyed making maps this week and learning all about the letter 't'. They are also very excited about our hot lunches!

HEDGEHOGS

Hedgehogs said that they have been enjoying maths lessons and phonics lessons but especially their art lesson all about spirals where they got to go outside on the playground to create giant circles using chalk!

SQUIRRELS

Squirrels have said that they have had really great reading lessons this week and they are enjoying all the books in their classroom! They have enjoyed improving their fitness in PE and writing about the Stone Age.

FOXES

Foxes have loved their learning about Ancient Baghdad and their maths lessons this week but they have also said how much they have enjoyed listening to American Rock music at the start and end of all our assemblies this week!
