Update

Dear Parents/Carers,

This week has been another interesting week in school.

Reception have very much enjoyed having their Grandparents in school on Tuesday for a Forest School session. We were really thrilled with how successful this was with 15 Grandparents attending! Well done to everyone involved.

Nursery have enjoyed more gardening sessions with Dr Bob! We really love seeing all the children outside, busy with their new wheelbarrows, sorting out the garden area.

Inside school this week, Hedgehogs have created some amazing artwork this week using a quilling technique! It took a lot of perseverance and resilience! They look great!

Don't forget to book your parents' evening appointment for next week. If you are unable to attend, or haven't booked, teachers will ring you to discuss your child's progress over the phone. As in Spring Term, books and refreshments will be in the hall. Celebration slips to hide in your children's books will be ready to stick in!

We look forward to seeing you!

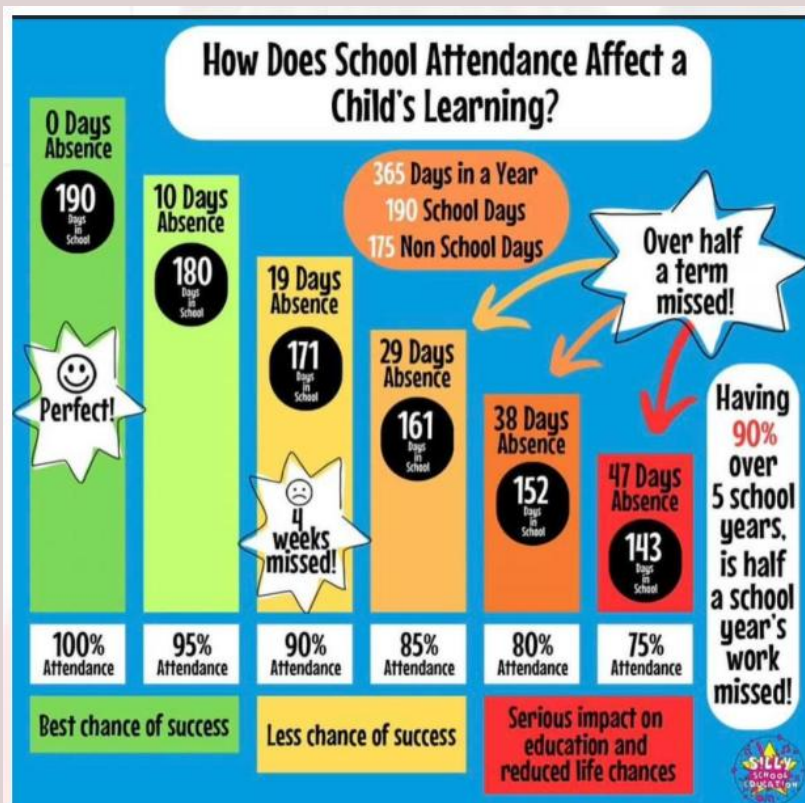

Mrs Helen Hadley

Key Information

ATTENDANCE UPDATE

Thank you to all our families who support good attendance in school. [Every session counts!]

Please do notice that our children have the best chance of success if their attendance is 95% or above. Anything less will impact your child's attainment and wellbeing.

This is a powerful image as it shows that with 85% attendance, children have missed half a term of learning which is extremely detrimental.

Class Attendance Week Beginning 09.10.26

Hares Class: 96.30%

Hedgehogs Class: 94.95%

Squirrels Class: 98.03%

Foxes Class: 98.33%

Highlights of the week!

OWLETS

When our Y6 monitors visited Nursery they have finished making their pond with Dr Bob! I can't wait until Spring to see what comes to life. They have also been learning how to clean teeth.

HARES

When our Y6 monitors visited Hares, they were raving about their Grandparents day as well as their dentists role play area. They have been busy writing letters to the tooth fairy this week too.

HEDGEHOGS

Hedgehogs said that they have been having great fun in Science this week where they were wrapping up and dropping eggs to test different materials! They have also been working on how to put out the fire in London in 1666!

SQUIRRELS

Squirrels have said that they have enjoyed writing their instructions on how to wash a woolly mammoth this week. They also enjoyed making clay fossils in History.

FOXES

Foxes and the Nest have have shared how much they have enjoyed their RE lesson learning about how God is holy and loving – they took a little trip up to the church.

They also enjoyed standing on their tables pretending to be 'Rooftoppers' as part of their English lesson.

Important Dates!

Dates:

Parents' Evenings – 13th October 4–7pm, 14th October 3:30–6pm

Refreshments will be served in the hall.
