Headteacher's Update

Dear Parents/Carers,

We have all had a very busy but very productive half term in school.

This Autumn, we launched our new curriculum and it has been wonderful, now we have reached the end of all our first units, to see how much our children have learnt. They are all much more able to articulate their learning and are beginning to use vocabulary connected to their history, RE and Science topics. Thanks to all families who have supported with topic-themed homework this half term, it really helps the children consolidate their learning.

A small uniform reminder: please ensure that all children with long hair have it tied back whilst in school. Over the half-term break, I will be updating our uniform policy to include guidance on appropriate hairstyles for school, and I will share the updated policy with families in November.

Finally, thank you for all your support this half term. It has been a joy to see you at our events and our parents' evenings!

Many thanks

Happy Half Term! Stay safe,

Mrs Helen Hadley
