Headteacher's Update

Dear Parents/Carers,

Welcome back!

We've had a lovely first week back in school!

There has been plenty to keep us all busy! We have started our new units of learning. This half term we are focusing on Geography and Design & Technology instead of History and Art. We will rotate these subjects each half term.

We have also had our Fancy Dress Disco with FOLS this week! It was wonderful (if a little scary) to see so many children attend in their outfits! Great effort! Thank you for supporting our fund raising events.

I have been lucky enough to join in with the Nest Forest School session this week. We built our own fires and enjoyed some delicious smores. Everyone was really safe and responsible and worked well as a team. Everyone showed great resilience when starting their fires using the flint and steel as some fires took at least 50 attempts to create a spark!

Look out for your new half-termly homework sheets. They'll be in your books and on your class webpages this week. I can't wait to see how many exciting and creative projects come back into school!

Happy weekend to you all!

Mrs Helen Hadley

Key Information

OPAL PLAY

You should all receive an OPAL play letter today explaining our next steps and our plans.

Mr Bissaker will be on site at the weekend when we will be having our mud pit and our sand pit dug out! Over the next couple of weeks these areas will be filled and resourced.

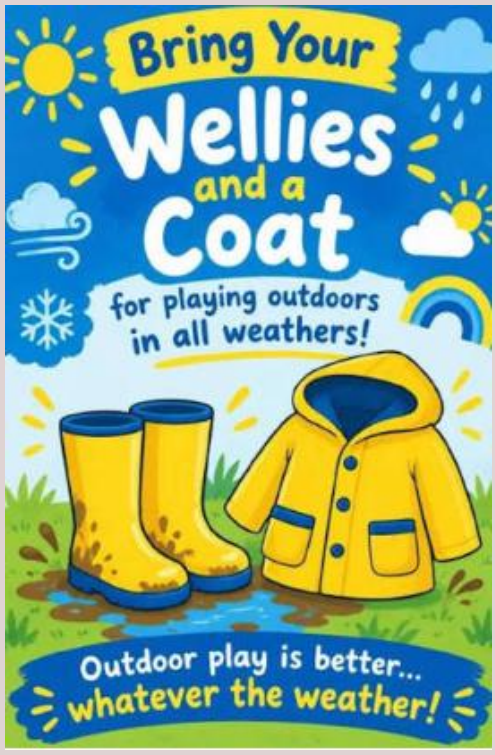

If you are able to, and you have any spare tools/resources that would work well for sand and digging, please could you send them in to us?

We will also be installing our welly boot storage area in the next week or so.

PLEASE SEND YOUR CHILD INTO SCHOOL WITH A NAMED PAIR OF WELLIES AND A NAMED WATERPROOF JACKET.

The wellies will stay in school every day so that we will be able to fully access our full school grounds every day regardless of weather or season!

Thank you so much for your support with this.

Highlights of the week!

OWLETS

When our Y6 monitors popped over to Nursery, they have been very excited about their learning this week all about Goldilocks! They have visited the forest and have made mini (pretend) bonfires with sticks. They have also made bear-shaped pancakes!

HARES

When our Y6 monitors visited Hares they have filled their learning environment this week with many pumpkins! They have been scooping out the seeds, hammering in golf tees and making their own pumpkins. They are also enjoying writing their helicopter stories.

Important Dates!

Dates:

Elfridges Pop Up Christmas Shop – Friday 27th November

Hares and Hedgehogs Nativity Performances – 9:30am 8th December and 2:00pm 9th December

Class Attendance Week Beginning 02.11.26

Hares Class: 87.65%
Hedgehogs Class: 97.98%
Squirrels Class: 92.40%
Foxes Class: 97.77%

HEDGEHOGS

Hedgehogs said that they have had an amazing week! They have loved making their own Bog Babies with feathers and glitter and describing them with great adjectives! Miss Hudson also really enjoyed this activity. The Bog Babies look so cute!
They could also talk about their Science – learning about evergreen and deciduous trees, learning different jumps in PE and learning subtraction in Maths.

SQUIRRELS

Squirrels were bursting with enthusiasm this week. They have finished writing their pitches to the Dragon's Den about their fox tails using their book 'Fox and Son Tailers' in English.
They are also enjoying their whole class reading book: Kaleidoscope. We have bought some real kaleidoscopes too.
They've also loved PE and RE this week too!

FOXES

Foxes shared with our monitors today that they have loved finishing their recipes and inviting family in to share them. They have also loved using British Sign Language to learn our Christmas songs.
They are also keen beans in their RE lessons this week learning about the meaning of the word: messiah.
