## Interim Headteacher's Update <sup>January</sup>

Dear Parents/Carers,

It's been a lively week in school, with children showing great adaptability as we've introduced a couple of timetable changes. They've taken it all in their stride, and it's been lovely to see classes settling into the new rhythm with such positivity. One highlight has been the launch of our positive recognition boards in every classroom. These have already made a noticeable difference, helping children focus on shared goals and celebrate the little moments of kindness, effort, and teamwork that make our school such a special place. The buzz around them has been wonderful.

A personal joy this week was welcoming several children from **Squirrel Class** who came to share their brilliant poems. Their creativity, confidence, and pride were a delight, and each of them earned a well-deserved Headteacher Award. I couldn't have been prouder of their achievements.

Have a great weekend,

Mrs Helen Hadley

## Key Moments

### Forest School

**We have extended the length of time of our Forest [experiences so that children can fully immerse themselves.**

**Hares Class have loved their longer Forest School Session this week. How magical to get out in the colder weather and experience ice and frost.**

**Thank you for sending in your kits!**

# Highlights of the week!

## Important Days Coming Up

### OWLETS

When I popped in to talk to Owlets this week, they said their favourite part of their learning was making sweet potato soup! How exciting is that?

**Y6 SATs club every Wednesday 3:15-4pm**

**Friday 30th January - Fox Class Collective Worship**

**Tuesday 10th February - Fox Class trip to RAF Cosford**

**Thursday 12th February - Spring Praise Assembly.**

**Don't forget, FOLS are running Donut Friday every week until half term! Yum!**

### HARES

When I popped in to talk to Hares this week, they said their favourite parts of their learning were: writing about their book 'Little Red' and making patterns in art.

### SQUIRRELS

When I popped in to talk to Squirrels this week, they said their favourite parts of their learning were getting muddy in Forest School, playing rounders in PE and painting landscapes in art.

### FOXES

When I popped in to talk to Foxes this week, they said their favourite parts of their learning were: playing cricket in PE, writing recounts in English, plotting the D-Day landings in Geography and one person even said that they loved long division! Great stamina!
