Update

Dear Parents/Carers,
We've enjoyed a wonderful blend of sunshine and school improvement over the past few days. Our governors spent time with Key Stage 2 pupils yesterday, exploring the great work happening with our reading interventions and celebrating the progress our pupils are making. We also welcomed our School Improvement Advisor in school today – Mrs Julia Gaughan - who joined us to review our journey. Whilst we still have many areas that need attention, we have seen small steps towards our goal this week. Well done to everyone. Alongside all this, the spring sunshine has lifted everyone's spirits—children and staff alike—and brought a real sense of energy to the week..
Have a great weekend!
Many thanks
Mrs Helen Hadley

Key Information

Parent Questionnaires: Thank you to all the families who attended our recent Parent Consultation evenings. We have had a lot of positive feedback around having appointments in the classrooms instead of the hall, having refreshments served by Mrs Bissaker and having the opportunity to leave celebration slips in children's books (they have loved finding these).

Thank you to everyone who completed a questionnaire. I have analysed all the responses and will be addressing all the points made over the next term.

Our first action is to publish the newsletter on Dojo so that it reaches more people. We are also going to post weekly reels of photos on Dojo from each class so that you get a greater sense of your child's learning from each week.

Great suggestions – thank you!

PUNCTUALITY – please note that starting from Monday, all children arriving after 8:50am will need to sign in using the iPad.

Highlights of the week!
